6-8-17: The Gig Economy and Free-Lance Opportunities

The gig-economy is redefining the job market in 2017. Here at LH&A, we get a first-hand look at these trends. We have emerging needs for candidates seeking freelance work.

If you have **media relations and writing experience** and are interested in **virtual contract work** (Chicago Area), please send your resume, hourly rate, and samples to lynn@lhazan.com

We will potentially need a **media trainer/PR consultant** for a non-profit client in Chicago.

We are still on the hunt for a **PR Account Supervisor**. Candidate must have consumer experience. Position includes unlimited vacation days and career coaching.

We are also looking for a **Senior PR Account Manager** with a knack for writing and pitching and managing clients. Real Estate experience is a plus, not a necessity.

See you at the UnGala and the DePaul Marketing Alumni Reunion.
