Motivational Speaker conducts a 1hr 45mins interactive presentation on "5 little known tips to stay positive throughout your job search."

Some of the greatest challenges of any job search are the emotional highs and lows that can take a toll on your mindset and self-confidence. Being able to maintain a positive attitude can make a huge difference.

During this meeting, NANCY DEPCIK of Unshakable Success will conduct a 1hr 45mins interactive presentation/workshop that will involve some lecture and some hands-on small group work to apply specific techniques that can help reduce stress. During this meeting, Nancy will cover the following:

- How to stop negative self-talk and gain more self assurance
- Uncover the ONE WORD that will flip the switch and turn obstacles into opportunities
- Discover your self-worth leading you to conquer your fears, doubts and disappointments
- How to stand out from your competition
- Learn to reignite your life, reinvent yourself and refresh your outlook

Nancy Depcik brings over 25 years of business experience to job seekers. She has delivered keynote speeches to Fortune 500 companies, universities and at numerous industry conferences. Her "Unshakable Success" approach to adversity has delivered greater confidence and success to many people in a job search. Nancy has been published in several magazines, including the Huffington Post, and she recently completed a TEDx talk that has received rave reviews. She has held advertising and marketing roles with Walgreens, PepsiCo and JCPenney and developed a training program being used by employees at Chicago's Millennium Park. Nancy is also author of Your 30 Day Journey to Unshakable Success and was named Inspirational Woman for Oct 2013 by Skinless Project. Her presentations are powerful and the tools she discusses will certainly improve your job search networking skills.

Our meeting agenda will include:

6:15-6:30 Open networking

6:30-6:45 Meeting announcements

6:45-8:30 Nancy's presentation and Q&A

Webinars

1. People Talk - What Are They Saying About You?

Date: Tuesday, August 1st

Time: 12:00 pm EST (9:00 am PST, 10:00 am MST, 11:00 am CST)

Technology has changed the job search process forever. In the past, people only talked about you when they were contacted during a reference check. Now people leave an impression when they recommend you on your LinkedIn Profile or talk about you on any Social Media site. How does what they say, impact your job search?

- Learn to prep your references
- Why your LinkedIn Profile should be a mini sales letter
- Social Media do's and don'ts

2. Lack of Interviews? It's Your Resume!

Date: Tuesday, August 8th

Time: 11:00 am EST (8:00 am PST, 9:00 am MST, 10:00 am CST)

In this webinar, we will discuss why your resume is not getting results or scoring interviews. Learn the do's and don'ts of resume writing and turn your job search around. No matter if you are an entry-level or C-level executive-we will talk about resume writing tips you need to implement now.

Bottom line: Personal branding begins long before the interview. Many people struggle talking positively about themselves. How do you deal with all the negative thoughts that show up as our "mental chatter"? What's clouding your ability to see your full value?

3. How to Create a Blueprint for Success in your Job Search

Date: Wednesday, August 16th

Time: 2:00 pm EST (11:00 am PST, 12:00 pm MST, 1:00 pm CST)

Regardless of your job status, goals are an important topic for all of us. If you don't have momentum, right now is the time to create a powerful plan to get you going.

There are many hidden obstacles that can get in the way of achieving your goals including getting hired. In such a fast-moving world with a growing number of distractions, now is the perfect opportunity to turn this whole thing around!

The good news is, this webinar will show you everything you need to know in a very simple way! Let's make the changes now so you can get back on the right track immediately. Learn how to create an easy to follow blueprint that you can design with all your goals in mind.

We will especially focus on:

- How to create an easy to follow blueprint that you can design with all your goals in mind
- Learn how to deal with conflicting feelings that can impede your progress
- Get clarity so you can set priority goals and an effective plan to execute and achieve them
- Take actions and follow through on critical job search activity
- Set up an accountability structure to support your success and celebrate your progress.

It will be powerful, energizing, inspiring!

4. Become a Stealth Networker and Find a Job

Date: Tuesday, August 22nd

Time: 2:00 pm EST (11:00 am PST, 12:00 pm MST, 1:00 pm CST)

Most job seekers find their job through networking - what about you? If networking is

not your strength, this webinar was written for you! During this session, we will address the following:

- How to network effectively
- Who should be in your network
- How to turn networking contacts into interviews

5. Is Your Job Search Taking Longer Than Expected?

Date: Wednesday, August 30th

Time: 3:00 pm EST (12:00 pm PST, 1:00 pm MST, 2:00 pm CST)

If you answered yes to that question, you can't keep conducting your job search the same way and expect different results. It just won't happen! If you don't have a knot in your stomach or lump in your throat, chances are you are in your "comfort zone" and that's not a good place to be when you're conducting a job search. During this session, we will address the following:

- Learn why your job search may be stalled
- Understand three things you can do today to turn your job search around
- How to gain and keep momentum going, until you accept a job offer
