**Date & Time:** Tuesday, June 25th @ 12:00 pm EST (9:00 am PST, 10:00 am MST, 11:00 am CST)

Have you ever wondered if extensive experience or a lack of experience can hurt your efforts to find a new job? The answer is "yes, sometimes" but there are things you can do to improve your chances of being interviewed and hired. Questions we will answer include:

- Does extensive experience make you over-qualified?
- Should you apply for jobs asking for experience, when you have none?
- If you're changing careers, is your experience even relevant?
- How can you most effectively list experience on your resume?

Log into your **Happy Candidates** Back office and click on EVENTS on the Main Menu. Register for the upcoming webinars by clicking on the event and then clicking the webinar registration link.

Job Seekers may register on your Career Portal by clicking on the WEBINAR Tab. Then clicking on the event and then register by clicking the webinar registration link for each event listed.
